

TETRA seminar

Wednesday 19th November 2008

Divani Caravel Hotel, Athens

INVITATION

We take great pleasure in inviting you to a

‘TETRA – The Winning Communication Technology for Professional Users’ seminar

On Wednesday 19th November 2008 at the Roof Garden of
Divani Caravel Hotel (2 Vas. Alexandrou Avenue, Athens, Greece).

This seminar is organised to provide you with a rare opportunity to find out about the latest developments in TETRA standard and technologies from leading professionals in the field.

Net Technologies co-operates with all major TETRA manufacturers and is also an active member of the Tetra MoU Association (www.tetra-association.com).

We hope you will find the programme interesting and look forward to meeting you in this unique event!

Kindest regards,
Dimitris Androutsopoulos
Managing Director Net Technologies

Please register now by e-mail (marketing@nettechn.com) to benefit from this unique opportunity to learn about the hottest technology today!
